INTERNATIONAL CONFERENCE

Exploration, Education and Progress in the Third Millennium

The International Conference EEP has the mission to distribute in the academic national and international environment the scientific results in the field of social and human sciences such as law, administrative sciences, regional studies, economics, psychology, sociology, theology, and other interrelated domains. The conference unites researchers annually from all over the world to share knowledge and results. Considering the differences in every country, we create an international platform for highlighting the developments, the ups, and downs in their area of expertise. The participants are expected to answer the various questions related to and deriving from the theme under debate by means of an innovative and accurate methodology.

There are accepted papers focused on the following subjects:

- *The Challenges of Public Law;*
- *New Trends in Private Law;*
- *Criminal Sciences;*
- *International Law and Justice;*
- *Global Security and Development;*
- *The Challenges of Public Administration;*
- *Policy and Theoretical Implications of Regional Development;*
- *The Moral, Religious and Legal Values – The Necessary Liaison of the Rule of Law;*
- *Innovative Citizenship and Governance;*
- *Developments in Procedural Law;*
- *Social Innovation and Contemporary Issues.*
